

Figure 7 has been amended to clarify the depicted process consistent with the associated discussion in the specification as originally filed. In particular, the words "download load" have been added to operation box 60 of Figure 7. Support for this amendment is found at p. 14, lines 27-28 of the specification as originally filed.

The characters "Y" and "N" have also been added adjacent operation box 62. This is consistent with the description found at p. 14, lines 28-30.

The changes are clearly denoted in Appendix A, and are reflected in the formal drawing. No new matter has been added.
